

Continuing to Serve Newcomers in the Face of COVID-19

The impacts of COVID-19 have been far-reaching and unprecedented. The way we work, communicate, and interact has been re-evaluated and modified to ensure safety for all community members. In Windsor and Essex County, newcomer service provider organizations funded by Immigration, Refugees and Citizenship Canada (IRCC) have risen to the challenge by supporting newcomers in new and innovative ways. Although many in-person services have been suspended, staff members are working remotely from home in order to keep newcomers engaged and informed with various forms of communication including phone, email, social media platforms and video conferencing.

WE LIP would like to acknowledge and thank these direct service providers for their tremendous efforts in continuing to deliver programs and services to our local newcomers.

This week we delivered activity kits to our CNC and Spark clients along with healthy snacks donated by DelFresco! 🥕🍓 It was so great to see their smiles, even from a distance! 😊 Special thank you to DelFrescoPure for your generous donation #COVIDkindness #stayconnected United Way Windsor-Essex

Delivering activity kits!

A huge thank you to DelFresco for their on-going generous donations!
