

City of Windsor- Snow Angels Program

Snow on sidewalks is a potential hazard to those with limited mobility. It also makes it difficult, if not impossible, for those who deliver services to the community to do their job - people who deliver mail, read water/gas meters, delivery services, EMS and fire.

That's why the City of Windsor offers the Snow Angels Program, a voluntary snow removal service for senior citizens and persons with physical disabilities. The program attempts to match volunteers from the community with residents in their neighbourhoods requiring assistance.

For volunteers, it's a great way to get some exercise and help your community! For high school students, it's an opportunity to help someone in need and round out your Community Volunteer Hours. For residents, it's a great way to access timely snow removal assistance.

Volunteers

The Snow Angels program is an excellent opportunity to get some exercise and help out in your neighbourhood. For high school students, it's a great way to round out your 40-hour Community Involvement requirement. Anyone 16 years of age or older may volunteer for the program.

After registering, volunteers will be contacted to complete the following

- Submit a police clearance (cost will be reimbursed by the City), attainable online with [Windsor Police Services](#);
- Sign a waiver, and
- Complete the City's Health and Safety Orientation. Materials will be provided to you.

Upon being matched with a registered client, volunteers provide the following service:

1. Clearing of snow from City sidewalks

Any snow removal beyond the tasks listed above is of the volunteer's own accord and not as a City of Windsor Volunteer requirement.

Volunteers deliver the service as they are available throughout the winter season.

To register:

- Please call 311, or
- Use [311 Online](#) and select "Snow Angels Volunteer Registration" to complete an online application.
