Meals on Wheels Delivery

Requirements: Police Clearance, reliable transportation

Description: The foundation of Meals on Wheels is the friendly volunteers who deliver them. We need volunteers ready to help people in living in Amherstburg, LaSalle, Harrow or McGregor. Delivery usually takes place between the hours of 11:00 am and 1:00 pm, however most routes only take up to half an hour to deliver. Our staff will work with you and your schedule to ensure that the time you give to help us is convenient for you, whether that means delivering meals one day a month, one day a week, or every day.

Friendly Visiting

Requirements: Police Clearance, reliable transportation

Description: The friendly visiting program pairs a volunteer visitor with an elderly individual. As we age, we may find ourselves further cut off from social situations opportunities. Loneliness and isolation among seniors is common, and this program is one way we try to address this issue in the communities of Amherstburg, LaSalle, Harrow and McGregor. Once you are paired with a senior client, you are free to arrange the times and frequency you meet with the client. Whether you sit down for half an hour a week over a cup of coffee, or play a game of cards or your favorite board game, or take a walk through the local park, this volunteer opportunity allows you to make a lasting difference in someone's life.

Events and Fundraising

Requirements: Transportation to events

Description: As a small charity, ACS hosts several outreach and fundraising events throughout the year, and we always need the help of volunteers to help set-up, decorate, guide people through the event, sell tickets, and much more.
