

Careers I Like

Look at all of the careers you have researched. In the “Career” column, list the careers that you most like or that seem interesting to you. In the “Likeable Factors” column, list the things that you like or that interest you about that career.

	Career	Likeable Factors- What do I like about this career?
Example	Sculptor	Creative, hands-on, independent, active, flexible
Example	Graphic Designer	Creative, challenging, technology-based
