

ESINC Open Air Display June 11, 2019

On June 10th, 2019, the Emergency Services Introduction to New Canadians (ESINC) partners hosted the 10th Annual ESINC Open Air Display at Major FA Tilston Armoury and Police Training Centre. This unique event provided newcomers to Canada with an opportunity to learn more about emergency services in Windsor and Essex County. Over 600 attendees enjoyed touring information booths, viewing emergency services equipment displays and interacting with personnel. It was encouraging to see that several organizations provided promotional materials in various languages, allowing the information to be more accessible to newcomers.
