

## Reflecting on Your Skills

---

### Instructions:

1. On the left side, write out different transferable skills and technical skills that you have below.
2. Then, using a computer, research a job that you may be interested in for the future. On the right hand side, write out the transferable skills and the technical skills needed for that job.
3. Answer the reflection questions that follow.

### Your Skills

### Your Dream Job

<b>Transferable Skills</b>	<b>Transferable Skills</b>
<b>Technical Skills</b>	<b>Technical Skills</b>

## Reflection Questions

1. Do your transferable skills match with your dream job's transferable skills? Why or why not?

2. Do your technical skills match with your dream job's technical skills? Why or why not?

3. What kind of steps can you take to continue developing these skills?
