

TeaMWork visit to Polycultural's Airport Welcome Kiosk

April 17th & 18th, 2023 – Pearson Airport, Mississauga ON

We were happy to travel to Pearson Airport in Toronto on April 17th-18th to meet with partners under the Migrant Worker Support Program – Polycultural Immigrant and Community Services.

Polycultural handles the airport greetings under the program and helps welcome migrant workers arriving in Canada as soon as their plane lands.

We learned more about the excellent work being done at their airport kiosk, and learned how the TeaMWork Project can help welcome workers travelling to Sarnia-Lambton, Chatham-Kent, and Windsor-Essex.

Los días 17 y 18 de abril visitamos el aeropuerto Pearson de Toronto para reunirnos con Polycultural Immigrant and Community Services, socio del Programa de Apoyo a los Trabajadores Migrantes. Polycultural da la bienvenida bienvenida a los trabajadores Migratorios que llegan a Canadá en cuanto aterrizan su avión.

Aprendimos más sobre el excelente trabajo que se está haciendo en el quiosco de bienvenida, y aprendimos cómo el Proyecto TeaMWork puede ayudar a dar la bienvenida a los trabajadores que viajan a Sarnia-Lambton, Chatham-Kent, y Windsor-Essex.
