

TeaMWork Partnership Launch Event

March 28th, 2023 – Aristo's Banquet & Catering, Chatham ON

We were happy to host our TeaMWork Partnership launch event in Chatham-Kent yesterday! The event was a great opportunity for community partners from Windsor-Essex, Chatham-Kent, and Sarnia-Lambton that work in support of Migrant Worker communities to connect with each other, learn about each other's work, and build supportive relationships. Thank you to everyone who attended for such a great day of discussion!

Ayer tuvimos el placer de celebrar el evento de lanzamiento de nuestro proyecto colaborativo TeaMWork en Chatham-Kent. El evento fue una gran oportunidad para que las organizaciones de la comunidad de Windsor-Essex, Chatham-Kent, y Sarnia-Lambton que trabajan en apoyo a la comunidad de trabajadores migratorios conecten entre sí e intercambien experiencias, para construir y fortalecer relaciones de apoyo a futuro. Gracias a todos los asistentes por este gran día de colaboración e intercambio.
