

ESDC Visit with weCHC at Mucci Farms

March 8th, 2023 – Mucci Farms, Kingsville ON

We were so happy to host the Employment and Social Development Canada Executive Team and our sub-agreement holders for a meeting and tour of Mucci Farms in Leamington this morning! Meeting in the on-site clinic before the tour provided a great opportunity for networking and providing updates on the Migrant Worker Support Program. After touring the greenhouse, we rendezvoused at Ontario Greenhouse Vegetable Growers for more discussion of the project.

Thank you to Mucci Farms for hosting us and sharing your impressive history and organization, and to the Windsor Essex Community Health Centre and Laura Strathdee for your coordination and support. Thank you as well to all the community partners who came out to participate. A true example that this really is about TeamWork!
