On Sunday, October 20th, **ACAS (Asian Community AIDS Services)** and **Occupational Health Clinics for Ontario Workers Inc. (OHCOW)** hosted the Asian Migrant Farm Workers Health and Information Fair! 🌍

TeaMWork was proud to be a sponsor of the event at Nature Fresh Farms Recreation Centre in Leamington, Ontario. Our fellow community partners in attendance ensured that Temporary Foreign Workers had access to health information and services, including dental, acupuncture, and massage services. TeaMWork provided workers with materials in Thai, Tagalog, and English about their rights in Canada and where to access further support.

Delicious Thai and Filipino food 🍜 was available for workers to enjoy while they attended the ongoing information sessions at the event. These sessions covered important topics such as mental health, self-testing, and workplace safety 🛡️.

Attendees also had the opportunity to participate in the raffle draw 🎟️ for a chance to win gift packages, food, and other giveaway items! 🎉

Feria de información y salud para trabajadores agrícolas inmigrantes asiáticos – Asian Community AIDS Services (ACAS) & Occupational Health Clinics for Ontario Workers Inc. (OHCOW)

20 de octubre de 2024 - Centro recreativo Nature Fresh Farms, 249 Sherk St, Leamington, ON N8H 4X7

El domingo 20 de octubre, ACAS (Asian Community AIDS Services) y Occupational Health Clinics for Ontario Workers Inc. (OHCOW) organizaron la Feria de información y salud para trabajadores agrícolas migratorios asiáticos. 🌍

TeaMWork se enorgullece de haber patrocinado el evento en el centro recreativo Nature Fresh Farms de Leamington, Ontario. Nuestros socios comunitarios asistentes se aseguraron de que los Trabajadores Temporales Extranjeros tuvieran acceso a información y servicios sanitarios, incluidos servicios dentales, de acupuntura y masajes. TeaMWork proporcionó a los trabajadores material en tailandés, tagalo e inglés sobre sus derechos en Canadá y dónde acceder a más ayuda.

Los trabajadores pudieron degustar deliciosa comida tailandesa y filipina 🍜 mientras asistían a las sesiones informativas del evento. En ellas se trataron temas como la salud mental, el autodiagnóstico y la seguridad en el lugar de trabajo 🏠.

Los asistentes también tuvieron la oportunidad de participar en el sorteo de paquetes de regalo 🎁, comida y otros artículos. 🍕

Gracias a todos los que han contribuido a hacer posible este acontecimiento:
