## **Acknowledgement of the Land**

We would like to acknowledge the land on which the Windsor Essex Local Immigration Partnership (WE LIP) and its member organizations work and gather is comprised of the traditional territories of the Three Fires Confederacy made up of the Ojibway, Odawa, and the Potawatomi Nations and the ancestral and unceded territory and waters of Caldwell First Nation whose people are the original people of Pelee Island and Point Pelee.

The Ojibway, Odawa, and Potawatomi Nations agreed to share this territory with the British Crown by way of the 1790 Treaty referred to as the McKee Purchase/Treaty of Detroit. This territory is the home of the Anishnaabeg who are represented by the Walpole Island First Nation and the Lunaapeew who are represented by the Delaware Nation.

This acknowledgement is intended to show recognition and respect for First Nation Peoples and their presence on this land in both the past and present. The WE LIP further recognizes that the impacts of colonization upon First Nations, Inuit and Métis peoples of this land are very much present, pervasive and woven into the fabric of Canadian institutions, governments, laws and systems. This recognition and respect is vital to continuing to establish healthy and reciprocal relationships with First Nation peoples, which is key in our journey towards truth and reconciliation.

and
- We will **Promote** inclusiveness, through membership on the council and in all facets of its work.

#### **Commitment to Equity, Diversity, Inclusion & Decolonization (EDID)**

The WE LIP is committed to creating a culture of equity, diversity, inclusion and decolonization to empower all citizens and communities to fully participate in decisions that affect them. We commit, individually and collectively, to create working and learning environments, programs, services, partnerships and collaborations which are affirmative, equitable, anti-racist, anti-colonial, inclusive

and accessible.

We commit to fostering a working and learning environment, where all WE LIP members, newcomers and members of the broader community feel welcomed, valued, included, safe and that they belong. These spaces will affirm the value of diverse perspectives and respect for all identities, including Indigenous Peoples and other historically marginalized communities.

WE LIP members embrace our collective responsibility to act as champions for equity, diversity, inclusion, and decolonization. We commit to actively seek out all opportunities to move forward the values, principles, actions and policies which advance equity within our own organizations, social networks, and within the broader community. This commitment extends to creating opportunities for Indigenous voices to be heard and engage in actions that support reconciliation.

WE LIP Members are encouraged to engage in ongoing self-reflection on what it means to champion equity, diversity, inclusion, and decolonization in their personal and professional lives. We acknowledge that fostering these relationships requires continuous learning and genuine engagement, particularly in understanding the rights, experiences, and aspirations of Indigenous Peoples and other historically marginalized communities.

The WE LIP Coordination Team, executive and relevant working groups will continue to seek out ways to provide resources and supports to empower this work at the individual, organizational and systems-wide level; and to find meaningful ways to incorporate this into the work, deliverables and outcomes of the WE LIP.

WE LIP recognizes that, alongside our commitment to equity, diversity, inclusion, and decolonization, it is important to remain attentive to the needs of marginalized groups who may be facing increased challenges or barriers due to evolving social or cultural circumstances. We commit to actively supporting and advocating for these communities.

This Terms of Reference is a dynamic document evolving as we grow in our understanding of equity, diversity, inclusions, and decolonization, therefore is subject to change as determined by the WE LIP Council.

## **4.0 Governance Model**

The Windsor Essex Local Immigration Partnership Council will function under the governance model detailed in Appendix A. As reflected in the “Moving Forward” report, this model “embraces the characteristics of good governance:

transparency, accountability, fiscal responsibility and effectiveness”. The governance structure is open and accountable to its funders, to WE LIP Council member agencies and most importantly, to the citizens of Windsor Essex. It is anticipated that the governance model will and should continue to evolve as will the WE LIP Council itself.

The WE LIP Council will have an Executive Committee comprised of a Chair, Vice- Chair, 3 Members at Large to be elected through the WE LIP Council membership, and 1 Member at Large acting as representative of the Comité local en immigration francophone Windsor Essex Chatham Kent (CLIF WECK), to be elected through its membership.

The Member at Large position reserved for a CLIF WECK representative ensures full representation and participation of Francophone partners and providers in the work of the WE LIP Council. Francophone representation is a key priority to the work of the council, and is foundational to IRCC’s mandate as a funder, and as a federal department of the Government of Canada. As of 2021, the position will be elected for a two-year term to align with the WE LIP election cycle.

The representative will be determined by the members of Comité local en immigration francophone Windsor Essex Chatham Kent (CLIF WECK) and will further act as a liaison between CLIF WECK and the WE LIP. It is noted that all Francophone WE LIP council members will still be welcome to stand for any other member at large or executive positions in the traditional way.

#### **4.1 Attendance**

Partnership Council members are asked to attend on a consistent basis. Each organization is permitted to send one (1) primary representative and/or one (1) designate to attend council meetings. Multi-projected organizations may request additional representatives to ensure adequate representation of all initiatives, with confirmation required from the WE LIP Coordination Team. If neither can attend, regrets should be forwarded to the meeting organizer. An organization will be asked to attend a minimum of 2 meetings per fiscal year in order to retain voting status.

## Appendix F: WE LIP Proposal Assessment Tool

### Introduction

The goal of the Windsor Essex Local Immigration Partnership is to create a community where newcomers and citizens can achieve a higher quality of life and reach their full potential. Key objectives of the WE LIP are:

- Partnering with service sectors such as health care, education, housing, children's services and police to discuss the unique needs of immigrants within those sectors and how we, as a community, can work together to ensure that immigrants have complete access to these services.
- Raising the profile of immigrants by celebrating local success stories.
- Improving employment opportunities for immigrants by reaching out to employers and demonstrating how diversity enriches the workplace.
- Promoting collaboration between organizations to improve access to services for immigrants.
- Strengthening social integration by helping to remove barriers.
- Encouraging social and cultural connections, active civic participation and a sense of the rights and responsibilities of Canadian citizenship and the value of diversity.

The WE LIP is a community planning body, with a small staff, a very large group of community partners and a vision for creating a better community for newcomers. WE LIP members are considered to be ambassadors. They take in the information shared at meetings and through emails, share it throughout their organization and sector and within those venues, discuss ways to further the objectives of the WE LIP, which in turn helps all newcomers in Windsor Essex. Each ambassador is encouraged to fully participate in helping the WE LIP reach its objectives. From time to time, WE LIP members suggest various activities for WE LIP involvement which will require a substantial investment of staff time. These activities could include but are not limited to, participation in research projects or community events. In order for the WE LIP to accomplish its many objectives and sustain in the long term, it requires financial resources coupled with a commitment from its ambassadors to work towards its objectives. As the WE LIP grows in strength, the number of possible ideas for WE LIP participation also grows. This assessment tool was created to help prioritize the work of the WE LIP not directly related to the deliverables outlined in the contribution agreement and to ensure that its resources are targeted

towards successful outcomes.

**Purpose of Assessment Tool:**

1. To provide a tool for WE LIP members to use to introduce possible new activities for WE LIP involvement which in turn, will further the goals of the WE LIP; and
2. Create a process for the selection of WE LIP activities in which WE LIP members would serve as Project Lead.

**When should the Assessment Tool be used?**

WE LIP members with an idea for an activity which would further the goals and objectives of the WE LIP are invited to complete the attached template and submit to the Chair of the WE LIP Executive Committee for consideration by the Executive Committee. The completed Template would briefly describe the activity which could include (but not be limited to): a proposed change to existing service delivery, an idea for a new or revised program, a community initiative or event. The template should include the following:

- Name of project lead and organization;
- Brief description of the issue including proposed timeframe or deadline for completion of activity;
- How the issue fits in with the mandate of the WE LIP;
- How the issue is aligned with access to or delivery of services for newcomers;
- Level of confirmed support among WE LIP members (up to 5 supporters);
- Agreement to submit basic metrics and/or written summary of the event to the chair upon completion.

**Decision-Making Process**

Templates submitted to the Chair of the WE LIP Executive Committee would be assessed by that Committee, using the scorecard outlined (attached). Once reviewed, a member of the Executive Committee will contact the Proposed Project Lead with feedback. If there is agreement that the proposed idea meets the mandate of the WE LIP, the new Project Lead will proceed using the criteria outlined in the attached Terms of Reference for an Ad Hoc Committee (Appendix D of WE LIP Terms of Reference). The Project Lead will also be asked to present either the plan or a summary

of the event at an upcoming WE LIP meeting. It is emphasized that the Project represents an Ad Hoc committee of the WE LIP and project results must be forwarded to the Executive Committee for review.

### **Guidelines**

Project leads will receive a copy of the WE LIP Terms of Reference Appendices D and E (Ad Hoc Community Conversation Meetings Terms of Reference and WE LIP Council Code of Conduct). The Proposal Assessment Tool can be found on website
